MST Nations' Community Member Survey

The xwməθkwəyəm (Musqueam), Skwxwú7mesh (Squamish), səlilwətał (Tsleil Waututh) Partnership (MST Partnership) and Aquilini Development want your input on their proposed development at 3200 East Broadway.

The project will be a mixed-use development with 3,500 homes, new employment opportunities, services, and amenities. It will also weave MST culture into the project and provide long-term economic benefits for MST people.

The MST Partnership is looking for your feedback on some early development concepts, as well as how best to weave MST culture into the site. All MST community members who complete the survey will be able to enter a draw for one of five \$100 gift cards.
